

Appendix 4
Statement of Manuscript Authenticity
Statement of Authenticity of Writing

I, the undersigned below,
I, the undersigned,

Full Name (*Name*) : Revina Adelia
Affiliation (*Affiliate*) : Education Management of Ahmad Dahlan University
E-mail (*E-mail address*) : 2407046005@webmail.uad.ac.id

as the *Corresponding* and/or First Author of the Research Manuscript with the title: Independent Curriculum Implementation Strategy in Improving Learning Quality for Gen Z in High Schools

as the Lead Author and/or Correspondence from the research paper with the title: Independent Curriculum Implementation Strategy in Improving the Quality of Learning for Gen Z in Senior High School

with authors' name:

1. Revina Adelia
2. Suyatno
3. Enung Hasanah

states the manuscript:

1. The Manuscript is an original manuscript (plagiarism-free) and has not been published in any scientific publication media (national journals, international journals, national proceedings, and/or international proceedings) either online or print version.
It is an original manuscript that is free of plagiarism from any party and has never been published in any scientific publication media (national journals, international journals, national proceedings, and/or international proceedings) either online or in print.
2. The manuscript is written by the author listed in the manuscript as stated in this letter with the correct order. All authors have significantly participated in the research and/or manuscript preparation. There is no “guest”, “honorary,” “gift”, “ghost”, and/or “anonymous” Author in the paper.
The manuscript is written by the author listed in the manuscript in accordance with what is written in this letter in the correct order. All authors have a significant role in research and/or manuscript creation. No author does not have any role ("guest", "honorary," "gift", "ghost", and/or "anonymous") on the script.
3. The manuscript's research and writing adhere to research and publication ethics in accordance with scientific principles, including not using Artificial Intelligence excessively in the manuscript's research and writing processes.
This research and manuscript writing meet research ethics and publication ethics in accordance with scientific principles, including not overutilizing Artificial Intelligences in research and manuscript writing.
4. If Generative Artificial Intelligence (Gen AI) or other AI-assisted tools were used in the research or preparation of this manuscript, each tool's name and function have been disclosed. All AI-generated content has been reviewed and edited for accuracy, and the authors accept full responsibility for the final manuscript.
If Generative Artificial Intelligence (Gen AI) or any other AI-based tool is used in the research or preparation of this manuscript, then the name and function of each tool has been conveyed. All AI-generated content has been reviewed and edited for accuracy, and the author is solely responsible for the final version of the manuscript.
5. The manuscript is not being or will not be submitted for review or publication process in any media before there is a decision from JIPP Editorial Member.
Manuscripts are not being submitted for review or publication in any media before there is a decision from the JIPP Editor.
6. I am willing to follow peer-review processes based on the JIPP standard (including to revise the manuscript based on the advice from JIPP's Peer-reviewer) and will not withdraw the manuscript that have been sent to JIPP before any decision by the JIPP Editorial Member. If the JIPP Editorial Member accepts my manuscript for publication in JIPP, I will not retract the manuscript for any reason except with the approval of the JIPP Editorial Member.
I am willing to follow all peer-review processes in accordance with JIPP standards (including revising the Manuscript in accordance with the JIPP Reviewer's suggestions) and will not withdraw manuscripts that have been submitted to JIPP until there is a decision from the JIPP Editor. If the JIPP Editorial Team accepts my Manuscript for publication in JIPP, I will not retract the Manuscript for any reason except with the approval of the JIPP Editorial Team.

7. I have full access to all research data, have full responsibility for the correctness of data analysis, and have the authority to compile and submit the manuscript for publication.
I have full access to all research data, have full responsibility for the correctness of the data analysis, and have the authority to compile and submit manuscripts for publication.
8. The Manuscript does not infringe copyright; not infringing Intellectual Property Rights (IPR); does not violate the privacy and other rights of any person, group, or legal entity; and/or does not contain anything that violates any law.
The manuscript does not infringe copyright; does not infringe intellectual property rights (IPR); not infringe on the privacy and other rights of any person, group, or legal entity; and/or does not contain anything that is unlawful in any form.
9. I have obtained written permission from the copyright owner for each excerpt of the copyrighted work and has been written in the references in the Manuscript.
I have obtained written permission from the copyright owner for each excerpt from the copyrighted work that is included and has been written in the bibliography in the Manuscript.
10. If I use personal information or images of patients, research subjects, or other individuals, I have obtained all necessary approvals based on the law.
If I use personal information or images from a patient, research subject, or other individual, I have obtained all required consents in accordance with applicable law.
11. I have written (in the manuscript) any financial or other substantive conflicts of interest that may affect the outcome or interpretation of the research. I also have written all sources of financial or non-financial support of research in the Acknowledgments section.
I have written down (on the manuscript) all potential financial conflicts of interest or other conflicts of interest that may affect the results or interpretation of the research. I have also listed all sources of financial and non-financial support for research in the Acknowledgments section.

If other authors jointly prepare the Manuscripts, I have notified other authors of these provisions. I signed this Surat Pernyataan Keaslian Tulisan on their behalf and I am authorized to do so.

If the Manuscript is compiled together with other authors, I have informed the other co-authors of these provisions. I signed this Statement of Authenticity on their behalf and I am authorized to do so.

I make this letter (Statement of Manuscript Authenticity) with the real consciously without coercion from any party and can be used when necessary

I made this Statement of Authenticity Letter consciously without coercion from any party to be used when needed.

Yogyakarta , 6 July 2025
